

Yurii Zarytskyi

FRONT-END DEVELOPER

I have development experience with HTML, CSS, JavaScript, React, Redux, TypeScript, Node.js, and various other technologies through thousands of hours of daily learning and practice. This has afforded me a robust understanding of the programming process, enabling me to write code that is clear, readable, and maintainable.

PROJECT EXPERIENCE

REACT-VOICE-VISUALIZER, [LINK](#), [NPM](#)

React library

I've developed the react-voice-visualizer library, enabling web apps to effortlessly capture, visualize, and manipulate audio recordings using React hooks and components, simplifying the Web Audio API integration.
