Yurii Zarytskyi

FRONT-END DEVELOPER

I have development experience with HTML, CSS, JavaScript, React, Redux, TypeScript, Web3.js, Node.js, and various other technologies through thousands of hours of daily learning and practice. This has afforded me a robust understanding of the programming process, enabling me to write code that is clear, readable, and maintainable.

TOP PROJECT ENGAGEMENTS

SCHOOLHACK AI

React | Redux Toolkit | TypeScript | Web3.js | OneSignal | Sentry | Jest
AI-driven social educational platform with nearly **2 million users.**
This platform reimagines education, incorporating advanced AI features to foster a dynamic and adaptive learning ecosystem.

REACT-VOICE-VISUALIZER, LINK, NPM

React library
I've developed the react-voice-visualizer library, enabling web apps to effortlessly capture, visualize, and manipulate audio recordings using React hooks and components, simplifying the Web Audio API integration.

WORK EXPERIENCE

LUNA EDGE

Frontend React Developer | Apr 2022 - Present

- Developed and implemented a proprietary library, react-voice-visualizer, seamlessly integrated into all company projects in production.
- Led the development of various projects using the React, TypeScript, Redux, Vite, and Web3.js tech stack, incorporating cutting-edge AI technologies.
- Engage in direct communication with the CEO, Tech Lead, and designer to gather project requirements, provide updates, and ensure alignment on tasks.

FREELANCE

Frontend React Developer | Aug 2022 - Apr 2023

- Built web applications with React, Next.js, TypeScript, ensuring high performance and responsiveness.
- Collaborated remotely with clients to gather project requirements, and deliver customized frontend solutions that met their specific needs and expectations.

STATE TAX SERVICE

Auditor | Feb 2021 - Aug 2022

- Audit of financial statements of large enterprises
- Negotiations with top management of companies
